MARQUEE ART GUIDELINES

PLEASE DO:

- Showcase your student or production with well-lit, clear, high-quality images.
- Be meaningful but brief in your messaging. The more words - the smaller the text. The smaller the text - the more difficult to read.
 - Check your spelling before submitting.
 - Size your art to the exact, listed dimensions.
Art that is sized incorrectly will be sent back for you to correct.
- Make sure to turn in your ad by the deadline and in the correct file format.
 - Label your file correctly by including the name of the student being honored and the name of their school.

PLEASE DO NOT:

- Include the Orpheum logo in your art.
- Design your art in Microsoft Word or Excel. We can not accept these file formats. A high resolution (300 dpi or above) JPEG, TIFF, or PDF are the only acceptable formats. We are happy to assist with art if you need help.
- Wait to purchase your ad! The deadline is May 4.
